## Complete Luminaire Ceiling Light 8w

230v Complete Swivelling Luminaire Ceiling Light 8w Cool/Warm White

Product Codes	CLR-8w90-30ww
	CLR-8w90-100cw
	CLR-8w90-100ww
Power (watts)	CLR-8w90-30ww = 8.49w
	CLR-8w90-100cw = 8.49w
	CLR-8w90-100ww = 8.49w
Operating voltage	85-265v
Lamp cap	Round Luminaire
Expected Life (hours)	30000
Light output (lumens)	CLR-8w90-30ww = 650
	CLR-8w90-100cw = 700
	CLR-8w90-100ww = 650
Colour temperature	2900k Warm White and Cool White
Colour rendering index	>80
Beam angle (degrees)	30° and 100°
Dimming Range	CLR-8w90-30ww = Non-dimmable
	CLR-8w90-100cw = Non-dimmable
: Incandescent	70 w
Replaces : Halogen	60 w
: CFL	20 w
Dimensions (l x b x h) wt	90 x 90 x 60mm (70mm hole)

This high quality LED COB Ceiling Light that replaces a 85-265v incandescent or CFL ceiling light and uses up to 8 times less electricity than its retrofit alternative, comes with a 2.5 year warranty.

The Warm White option of this COB Ceiling light closely replicates the light of a 70w incandescent whereas the Cool White more closely replicates an 20w CFL ceiling light.

This luminaire uses 1 COB high efficiency LED chip integrated into a water resistant plastic housing containing an internal aluminium cooler and reflector and a transparent lens to give a very even light spread throughout its 30° and 100° beam angle options. The frame is white only and rust proof.

This light is ideal for high and low ceiling applications like shopping centres, retail stores & living areas. Due to its internal sealed driver it is also suitable for steamy environments like kitchens and bathrooms.

The light can be swivelled 30 degrees off its vertical axis in any direction using the integrated swivel joint. The life expectancy of this globe is 30000 hours and is CE & RoHS compliant.
