## G9 Cavity Light 2w & 3w Dimmable

230v G9 Cavity Light 2w & 3w - Any Basic Colour - Dimmable

|                           |                                      |
|---------------------------|--------------------------------------|
| Product Codes             | G9-2w1-180<br>G9-2w45-315            |
| Power (watts)             | 2                                    |
| Operating voltage         | 80-270v                              |
| Lamp cap                  | G9                                   |
| Expected Life (hours)     | 30000                                |
| Light output (lumens)     | G9-2w1-180 = 80<br>G9-2w45-315 = 220 |
| Colour temperature        | 2700-6000k Cool/Warm White           |
| Colour rendering index    | 70                                   |
| Beam angle (degrees)      | 180° or 315°                         |
| Dimming Range             | Non-dimmable                         |
| Replaces : Incandescent   | 15 w                                 |
| Replaces : Halogen        | 10w                                  |
| Replaces : CFL            | N/A                                  |
| Dimensions (w x b x l) wt | 58 x 18 x 18mm (15g)                 |

This high quality LED Cavity Light that is a replacement for a 80-270v incandencent or CFL Cavity Light and uses up to 13 times less electricity than it's retrofit alternative, comes with a 1 year warranty.

The 2w option of this Cavity light closely replicates the light of a 15w incandescent whereas the 2w more closely replicates a 25w incandescent Cavity light

The G9-2w1-180 uses 1 SMD 3014 Epistar LED chips and a translucent lens to give a focussed light spread throughout it's 180° beam angle, while the G9-2w45-315 uses 45 SMD 3014 Epistar LED chips to give an even light spread throughout it's 315° beam angle.

The life expectancy of this globe is 30000 hours and is CE & RoHS compliant.

Specific colour options of this globe are available on special order and subject to a small quantity premium.

Higher wattages are available on request and subject to quotation. Lead time 2-3 weeks.

Minimum order quantities apply to special orders.
