Cobra Head Street Lights 50w -150w

IP65 Luminaire Street Light 50w - 150w Neutral/Warm White

Product Codes	TSLB-100w1cw
	TSLB-150w1cw
Power (watts)	TSLB-100w1cw = 100w
	TSLB-150w1cw = 150w
Operating voltage	85-265v
Lamp cap	IP65
Expected Life (hours)	50000
Light output (lumens)	TSLB-100w1cw = 9500
	TSLB-150w1cw = 14400
Colour temperature	6000k Cool White
Colour rendering index	>75
Beam angle (degrees)	60°
Dimensions (l x b x h) wt.	670 x 250 x 130mm (7200g)
	840 x 310 x 130mm (8200g)

This high quality LED Street Light that replaces a 85-265v HID or CFL Street Light and uses up to 3 times less electricity than it's most common alternative and comes with a 2 year warranty.

The 100w option of this Street light closely replicates the light of a 700w Halogen or 250w HID whereas the 150w more closely replicates a 1000w Halogen or 400w HID Street light.

The TSLB-100w1cw uses 2 COB 45mil Bridgelux LED chip and a high clarity focussed lens to give a completely even light spread throughout it's 60° beam angle, while the TSLB-150w1cw uses 3 COB 45mil Bridgelux LED chips to give an even light spread throughout it's 60° beam angle.

These lights all have an internal driver and fit directly onto a horizontal pole without the need for an additional attachment bracket.

The life expectancy of these luminaires are 50000 hours and are CE & RoHS compliant.

They are available in black. Grey is available on request.
